Enlightened Health Care Leadership:

Restoring Trust and Compassion in the Hospital Culture

Results:

- Develop leaders and managers who have the inner courage and authenticity of great leaders.
- Rebuild relationships, starting from the top down.
- Give up the constraints of the ego and its need for external validation.
- Replace fear with trust and compassion so people can perform at their best.
- Build teamwork, cooperation and synergism instead of internal rivalry and competition.
- Expand productivity, creativity, profitability and enthusiasm of team members.
- Increase loyalty, respect, retention, and commitment.
- End power struggles, paranoia, gossip, personal agendas and drama that drain time and money.

Healing the Workplace Culture Series

DANNA BEAL, M.Ed.

"Danna Beal's important new book, The Extraordinary Workplace, gives you essential insights to transform your workplace by rebuilding relationships with trust and integrity."

—Bill George, professor, Harvard Business School and author of True North

"Reading The Extraordinary Workplace could just be the solution to bringing harmony and peace to the workplace. It's an important book."

—Wally Amos, The Famous Cookie Man and author of Watermelon Credo

"Danna's candid insight on issues facing the workplace is both timely and necessary. Companies that are able to take your information and infuse it into their values will be far ahead of their peers. In addition, they will have the satisfaction to know they have groomed a team that exemplifies trust and respect for one another. It doesn't get any better than that."

—Keith Arzen, CEO, Medical Imaging Northwest

"Danna Beal's book puts relationships in the workplace under the microscope and offers practical, helpful, spiritual nuggets as ways of healing the workplace."

—Gerald Jampolsky, M.D., Author, "Love is Letting Go of Fear"

"BRAVO!! The book is magnificent. You look into the eyes of so many critical mistakes in corporate life, and you stare them down with a stunning form of connectivity, compassion, and human caring. This work should turn tattered from use in the hands of every executive in the world."

—Mike Cogdill, Emmy Award winning television journalist, author of She-Rain
